

# CURIOUS PASTIMES 2010

## paying for events

These are the prices for this year's events. Booking early, and for a number of events, entitles you to several discounts. To use the table simply find the deadline date after the date on which you are making a booking and cross reference with the events you are wishing to attend. This gives the price per event and the final column says whether a discount is available for booking for another event at the same time as Renewal. The discount is available for each event that you book in this way. The discount is £5 off each event you book for, when you book for Renewal at the same time.

## group adventures

All of our events have a limited capacity for group adventures. These must be booked in writing at least 6 weeks prior to the start of the event that you wish them to be run at. It is your responsibility to also inform your faction of your request before you contact the office, to ensure that there is no conflict between what your desire and any Faction Plot of any kind. The cost of adventures is £10 per head and the balance must be paid to the Faction team member co-ordinating the adventure at the event.
